

Conditions of Use of Port Cranes in the Territory of Port of Pori Ltd; Effective as of 01.01.2021

1. Port of Pori Ltd is responsible for and decides on appropriate use of cranes taking into consideration the overall general conditions of traffic present from time to time in the port area.
2. By mobile cranes, Port of Pori Ltd means self-propelled cranes that can move from one section of the port to another on their own (Liebherr , Mantsinen).
3. All crane orders shall be submitted to the crane station by phone 02 621 2609 as early as possible in advance, however not later than by 13.30 of the preceding workday. If the order is placed later, the charges, referred to in clause 6.5 a) of the List of Prices for Services of Port of Pori Ltd.

The following shall be stated upon placing an order:

- the location and the vessel where work will be performed
 - the type of work and cargo
 - the estimated duration of the work
 - the type and weight of heavy loads
 - the planned breaks
4. In case of special and combined lift, the Port shall be provided a separate lifting plan in good time in advance
 5. The crane will be provided into disposal of the ordering party such that it can be operated by a professional crane operator employed by Port of Pori. Any other required staff shall be provided by the customer. The customer shall also keep the crane rails as well as the section of the quay in the power cable area free and clear of any items scattered around during the loading and unloading operations.
Having used the crane and unless the parties agree otherwise, the customer shall promptly clean the rails of the crane as well as the area used for handling of cargo of any cargo residues and other materials related to the handling of the cargo.
 6. The crane will operate in accordance with the instructions of the customer subject to the terms and conditions set out herein.
 7. If the crane(s) or equipment have been ordered to perform a certain function, but their use has not started at the time stated in the order, the charges set out in clause 6.5 h) of the List of Prices for Services of Port of Pori Ltd shall apply.
 8. Compensation for the use of crane and port equipment, as well as for any work performed shall be paid on the basis of invoices submitted by Port of Pori Ltd.
 9. The List of Prices for Services of Port of Pori Ltd are available from CEO Vesa Mäkilä , and from the head of the vessel and port services department Pekka Friman and from sales manager Pasi Aro.
